Executive Order 11821, Inflation Impact Statements

In my address to the Congress on October 8, 1974, I announced that I would require that all major legislative proposals, regulations, and rules emanating from the executive branch of the Government include a statement certifying that the inflationary impact of such actions on the Nation has been carefully considered. I have determined that this objective can best be achieved in coordination with the budget preparation, legislative clearance, and management evaluation functions of the Director of the Office of Management and Budget.

Now, THEREFORE, by virtue of the authority vested in me as President of the United States of America by the Constitution and laws of the United States, it is hereby ordered as follows:

Section 1. Major proposals for legislation, and for the promulgation of regulations or rules by any executive branch agency must be accompanied by a statement which certifies that the inflationary impact of the proposal has been evaluated. Such evaluation must be in accordance with criteria and procedures established pursuant to this order.

Sec. 2. (a) The Director of the Office of Management and Budget is designated and empowered, to the extent permitted by law, to develop criteria for the identification of major legislative proposals, regulations, and rules emanating from the executive branch which may have a significant impact upon inflation, and to prescribe procedures for their evaluation.

(b) The Director, in carrying out the provisions of this order, may delegate functions to the head of any department or agency, including the Chairman of the Council on Wage and Price Stability, when appropriate in the exercise of his responsibilities pursuant to this order.

Sec. 3. In developing criteria for identifying legislative proposals, regulations, and rules subject to this order, the Director must consider, among other things, the following general categories of significant impact:

a. cost impact on consumers, businesses, markets, or Federal, State or local government;
b. effect on productivity of wage earners, businesses or government at any level;
c. effect on competition;
d. effect on supplies of important products or services.

Sec. 4. Each Federal department and agency must, to the extent permitted by law, cooperate with the Director of the Office of Management and Budget in the performance of his functions under this order, furnish him with such information as he may request, and comply with the procedures prescribed pursuant to this order.

Sec. 5. This order expires December 31, 1976, unless extended prior to that time.

Signed by President Gerald R. Ford
